# LEDIFY ELECTRONICS PVT. LTD.

Home appliances manufacturer

# About us

In the year 2020 LEDIFY has been established with the dream of “Lighting every village every Home .

Ledify is now becoming one of the leading manufactures in the field of LED lights. With our affordable and multiple ranges of products, we aim to light up every home in India. Our products are designed for every type of household, for every occasion, and every type of millennial. Being in this modern society we have considered going deep in researching what people want for their homes that fits perfectly in their home decor. Our latest product, rechargeable emergency LED bulb is a revolutionary product that can ensure to provide non-stop luminance at a whopping 3 hours after a power outage. And with our team of excellent thinkers, we aim to bring more and more products that will be more of value addition to your life.

**Our vision thrives us and makes us grow in the field we are in. We aim to be a globally recognized corporation by providing excellent governance, and customer satisfaction in the field that we are in.**

**To pursue our vision through business ethics, technical expertise, increase our reach globally and maintain a long-term solid relationship with our customers and employees.**
